RentWise Re-certification

Attention all RentWise Trainers: If you have not taught at least one module of a full six module series in the previous calendar year you will be required to get re-certified by attending a RentWise Train the Trainer event or through a RentWise Coalition Member (at their discretion). This is verified by the Course Completion forms submitted to the Nebraska Housing Developers Association.

We now have over 600 trainers across the state of Nebraska trained to teach RentWise. If interested in becoming a trainer please contact Amber Marker at amber@housingdevelopers.org or (402) 435-0315 x2.
